

## STANDARD JAR RANGE

### JAMS (340g) – 6 jars per pack

All our jams are 'EXTRA' which means they have at least 45% fruit in the finished jam although most of our jams have more than 60%. Made with the whole fruit and this exceptionally high fruit content, with sugar and occasionally a little pectin that is all!

#### Apricot Jam

57g/100g fruit. A beautifully deep orange colour with a beautifully rich apricot flavour.

#### Blackberry & Apple Jam

53g/100g fruit. Made with home-grown Lochness blackberries and Bramley apples. These hybrid blackberries are a much larger fruit than their wild counterparts and therefore give a less 'seedy' jam.

#### Blackcurrant Extra Jam

42g/100g fruit. With three gold awards, our blackcurrant jam is made with a secret recipe we have developed for produce a full flavour with whole blackcurrants running through it.

#### Blackcurrant & Cassis Jam

42g/100g fruit. This blackcurrant jam with made with our secret recipe but we have added a very generous measure of Cassis to give this already amazing jam another dimension!

#### Boysenberry Jam

62g/100g fruit. Boysenberry is a cross between the raspberry, blackberry, dewberry and loganberry. A rich tasting jam.

#### Cherry Extra Jam

62g/100g fruit. Soft set with lots of whole soft dark cherries.

#### Damson Jam

60g/100g fruit. Made with damsons grown in Somerset, rich in flavour but sharper in taste than other plum jams.

#### Fig Conserve

68g/100g fruit. With lovely chunks of fig, this is a must for fig lovers. Delicious with cheese as well as on toast.

#### Gooseberry Extra Jam

69g/100g fruit. Made with crimson gooseberries, it has a lovely flavour and deep pink in colour.

#### Pear and Honey Jam

77g/100g fruit. A jam for honey lovers, the delicate flavour of pear is complimented with a subtle hint of the best West Country honey.

#### Raspberry Extra Jam

66g/100g fruit. Made with the sun ripened raspberries which allows us to make a full flavoured jam. The flavour of the raspberries is intense.

#### Rhubarb & Ginger Jam

67g/100g fruit. Made only with red rhubarb, the beautiful colour of the jam sells it before tasting. The ginger is not half-hearted as we use both root and crystallised.

#### Strawberry Extra Jam

65g/100g fruit. Double gold award winner, our strawberry jam has the most amazing flavour. A very traditional choice for cream teas!

#### Strawberry & Rhubarb with Elderflower

66g/100g fruit. Our own recipe, Strawberry and Rhubarb with Elderflower. The rhubarb adds a sharpness to compliment the sweet strawberry and with a hint of elderflower, there is that something extra in the flavour which makes this jam quite special.

### Tayberry Extra Jam

69g/100g fruit. Made with our own tayberries, this hard to find fruit makes an exclusive jam which people would walk over coals for!

### Victoria Plum Jam

68g/100g fruit. Made with English Victoria plums grown in Somerset, this jam is not only delicious but has the wonderful pink tinge of the plums, pieces of plum can be found in the jam.

### Waterhouse Harvest Jam

69g/100g fruit. Made with homegrown fruit, using three different berries; tayberries, tummelberries and raspberries. Similar to our Raspberry Extra Jam, but richer and sharper with layers of flavour.

### Whortleberry Jam

64g/100g fruit. Whortleberry is the West Country name for wild blueberries found growing on Dartmoor, Exmoor and the Quantocks. In the Midlands they are called Bilberries. This tiny fruit produces a delicate flavoured jam.

### CURDS (300g) - 6 jars per pack

All our curds are made with free range eggs from Devon and West Country unsalted butter. Due to the nature of the fresh ingredients we can only offer a 5 month shelf life.

### Lemon Curd

Made with free range eggs, the best lemons and West Country unsalted butter. Our Lemon Curd has that lovely rich lemon tang that when you taste it, takes you back to your childhood.

### Passion Fruit Curd

As with our Lemon Curd it is made with free range eggs and West Country unsalted butter but with Passion Fruit puree it has a slightly sweeter and exotic flavour.

### CHUTNEYS (290g-320g) - 6 jars per pack

Our chutneys are made with the maximum amount of fruit and vegetables. With only spices, the best Devon farmhouse cider vinegar and some sugar. Except for the Devon Ale and Exmoor Beast Ale Chutneys, they are all gluten free.

### Beetroot with Horseradish Chutney

38% Beetroot. We roast the beetroots in olive first, then we make the chutney, a fabulously naturally sweet chutney with a little kick of horseradish. A really versatile chutney.

### Devon Apple Chutney

42% Apple. Made with Bramley apples and local farmhouse cider, this sweet and versatile chutney is delicious with sausages, gammon steak and other hot meats as well as a tasty cheddar cheese.

### Devilishly Devon Chutney

40% Marrow. Not to be found in any recipe book! This is a light refreshing chutney with hint of chilli which not even the faint hearted would object to. Delicious with your ploughman's lunch or salads

### Devon Ale Chutney

Made with apple and onions together with lashings of real ale from the Red Rock Brewery based near Teignmouth in Devon.

### Exmoor Beast Ale Chutney

Made with the award winning Exmoor Beast Ale from the Exmoor Ale Brewery in Somerset. Onions and apple teamed with black mustard seeds and lots of this lovely ale.

### Exmoor Pond Weed Chutney

An old fashioned chutney with a modern twist, made with green tomatoes, apples & onion with just a touch of fresh garlic and ginger and more than a touch of green chillies giving just enough heat to be tasty!

### Fig, Tomato & Onion Relish

95% Fruit/Veg. made with dried figs and caramelised onions our sweet relish makes a good accompaniment to sausages, gammon steak and other hot meats.

### Fresh Turmeric Chutney

Mango, pineapple, apple, onion, fresh turmeric, fresh ginger and black pepper. Not only full of all things good, but tasty too

### Haymakers Pickle

70% Fruit. An apple and onion chutney with subtle curry spices. Quite delicious!

### Lime Pickle

72% Lime. New for the Summer of 2013. This is a seriously hot pickle, it has lots of delicious Indian spices for a fantastic flavour, but not for the fainthearted!

### Carrot & Coconut Relish

40% Marrow. Fresh grated carrot with finely grated coconut and a hint of lemongrass. A fabulous relish to have with curries or cold platter.

### Mangelwurzel Pickle

Swede (18%). Mangelwurzel is a rare beet developed in the 18<sup>th</sup> century as a fodder crop for feeding livestock. We have substituted swede for this as the nearest equivalent.

### Mango Chutney

70% Mango. Chunks of ripe mango, fresh garlic & ginger, wonderful with curry or cheese.

### Pear & Walnut Chutney

55% Fruit. Delicious pear chutney with crunchy pieces of roasted walnut, wonderful served with cheese.

### Piccalilli

69% Vegetables. This classic pickle is absolutely packed with vegetables. Our Piccalilli is neither overly sweet nor acidic.

### Red Hot Mango Chutney

70% Mango. Not for the faint hearted!

### Red Onion Marmalade

83% Red Onion. A sweet chutney, lovely with cheese, or add a teaspoon to your gravy for that really special flavour.

### Roasted Beetroot Chutney

38% Beetroot. The natural sweetness of the beetroot is enhanced by roasting with olive oil. We add only a gentle amount of spices so not to overpower the sweet beetroot taste.

### Runner Bean Chutney

33% Beans. Another fourth generation recipe. A traditional West Country chutney.

### Somerset Cider & Apple Chutney

42% Apple. Made with Bramley apples and Richs Farmhouse Cider from Somerset. This sweet and versatile chutney is delicious with sausages, gammon steak and other hot meats as well as a tasty cheddar cheese.

### Spicy Tomato Chutney

30% Tomato. Seriously tasty chutney with chilli and black onion seeds.

### Slow Roasted Garlic Chutney

16% Garlic, roasted for 4 hours and then cooked for a further 4 hours with red onions, spices and red wine vinegar. Sweet and mellow.

### Whortleberry Chutney

35% Whortleberry (Wild Blueberries). This is a light and fruit chutney. This chutney is especially good with pâté and blue cheese.

## MARMALADES (340g) - 6 jars per pack

Our marmalades are made by hand using very traditional methods, starting with whole, fresh fruit.

### Seville Marmalade (Medium Cut)

63g/100g fruit. A traditional Seville marmalade with a superior flavour and colour.

### Three Fruit Marmalade (Medium Cut)

57g/100g fruit. Made with orange, grapefruit and lemon. Slightly sweeter than Seville marmalade, but full of flavour with a rich colour.

### Lemon & Ginger Marmalade (Medium Cut)

60g/100g fruit. A fresh tasting marmalade with a kick of fresh root ginger, a wonderfully stimulating taste for the mornings.

### Rich Marmalade (Thick Cut)

46g/100g fruit. Made with Seville oranges, a dark rich marmalade with a tangy flavour, popular with the marmalade connoisseur.

### 'No Bits' Marmalade (Shredless)

77g/100g fruit. Made with mountains of Sevilles to give all the flavour of the traditional marmalade without the shred.

### Ruby Grapefruit Marmalade (Medium Cut)

49g/100g fruit. A tasty, fruity marmalade, with fresh rosemary is a wonderful slightly sweeter to the taste than the other marmalades.

### Whisky Marmalade

Our medium cut Seville Marmalade with the best blended whisky.

### Gin & Orange Marmalade

Our latest creation, a sweet orange marmalade with 4% gin. This is a fresh tasting marmalade with an underlying note of gin.

## JELLIES, SAUCES & BUTTERS (200g-227g) - 6 jars per pack

All our jellies are made in the traditional way with whole fruits cooked gently and left to drip through muslin overnight.

### Chilli Jam

48g/100g fruit. Made with apple, red pepper and onions together with chilli this savoury jam is both sweet and hot.

### Cranberry Jelly

71g/100g fruit. The traditional Christmas jelly, it has a high concentration of fruit for that sharp, tangy, flavour.

### Cranberry Sauce with Orange & Port

Cranberry, Port (3%). A luxurious alternative to apple sauce. Excellent with turkey, roast pork and all game.

### Mint Jelly

71g/100g fruit, 5% Mint. Finely chopped fresh mint in Bramley Apple jelly, made with our own Bramley Apples.

### Quince Butter

54g/100g fruit. Made with quinces grown in Somerset this is fabulous spread on your cracker with any cheese you like.

### Quince Jelly

54g/100g fruit. A light and fragrant jelly made with Somerset quinces. This jelly is lovely with meats, but especially cheese.

### Redcurrant Jelly

85g/100g fruit. Made with buckets full of our own redcurrants, the depth of colour reflects the depth of flavour created by starting with the whole fruit.
